About us

Shenzhen Gottawa Industrial Ltd, located in Futian district of Shenzhen city, China, has over two decades of experience in ceramic research and development, manufacturing, and export. Our factory, situated in Hunan province, employs more than 1,000 skilled workers who operate our ISO 9001 and ISO 14001-certified, 50,000-square-meter facility. Equipped with an 80-meter tunnel kiln and two decorating kilns, our yearly production capacity reaches up to 50 million units.
