COMPANY PROFILE

Homfel, establishment in 2003, has been adhering to the mission of "Creating a warm and cozy home life for human being". Specialize in the R&D manufacturing of household products.

Over the past two decades, we have established ourselves as a trusted partner to numerous renowned retail supermarkets and brands, thanks to our unwavering commitment to delivering exceptional quality and service.

Reliable supply chain management to provide retailers and brands with even better products and services. And bringing warmth and comfort to every household.

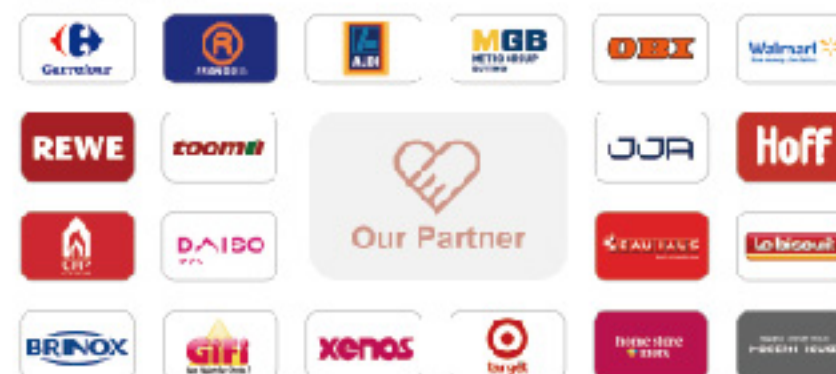

Certificate

20 years'
Experience

As a company engaged in overseas business for many years, we have passed a number of quality certifications so that we can better serve our customers

TOILET BRUSH

Pure and pristine design provides people with spiritual comfort, reflecting the people-oriented concept and pursuit. The handle is easy to grip and the brush head with outstanding cleaning power easily reaches every hidden corner. The bristles get rid of stains with a simple rinse and are easy to drain and keep dry. High quality stainless steel with anti-rust surface treatment and reinforced base keep the toilet brush durable and brand new as still.

Its delicate appearance brightens up corners of the bathroom, and the small body hides infinite energy. Practicality and decorative effect are combined together, making HOMFEL toilet brush a wonderful choice for bathroom cleaning.

KITCHEN STORAGE & ORGANIZER

HOMFEL kitchen storage & organizer series covers various dish racks, cup holders, pot lid holders, paper towel holders, spice racks, food baskets, sink organizers, storage carts, etc. The modular design makes it easy to classify and display kitchen supplies at a glance, maximizing the use of space and freeing the kitchen environment from clutter. Optional accessories are combined together, creating endless fun of DIY.

Choose high quality and enjoy the surprises with infinite pleasure hidden in details. The thickened reinforced iron wire and different materials match each other, bringing a fresh and natural visual effect and at the same time ensuring a strong load-bearing capacity. Solid welds and smooth edges prevent cuts and take care of your cooking time in every moment.
