# Let's Take the Time to Set our Table with Extra Love and Care, to Feel Special.

Enjoy your table set.

Indulge in the enchanting embrace of the winter season as you prepare to set your table with unparalleled elegance and warmth. Each luxurious tablecloth is meticulously crafted to adorn your dining experience with extra love and care, ensuring that every meal becomes a cherished moment. The soft, sumptuous fabrics, ador-

ned with intricate designs inspired by nature's frosty allure, whisper tales of snowy landscapes and cozy gatherings by the fireplace. Embrace the spirit of the season as you gather your loved ones around a table adorned with these exquisite masterpieces, creating an ambiance that will make every occasion feel truly special.

## Table Setting Tips with Valentina

Mix and match your linens by picking a tablecloth in one pattern and napkins in another pattern. Mix a check and a stripe for an eye-catching combination.

Include a floral element but don't overthink it. I love to go to the farmers market and purchase a few bunches of whatever looks the prettiest to me. Since I'm by no means an expert flower arranger I like to

create small, monochromatic arrangements in water glasses from my kitchen. Very easy and pretty.

Candles create the most beautiful glow and really help set the mood. We like setting them up in odd numbered groupings, organically placed down the center of the table.

For a more traditional dinner I love to use placecards it feels really special.

**RECIPE**  
*Tortellini*

A special dish for  
the holidays.  
Valentina's family  
recipe of tortellini  
in brodo.

**For the dough**

Flour 500 g  
Eggs 5

**For the filling**

Pork loin 150 gr  
Butter 20 gr  
Parma ham 150 gr  
Mortadella di Bologna without  
pistachios - 150 gr  
Aged Parmesan cheese  
over 3 years 80 gr  
Eggs 1  
Nutmeg 1 pinch

**Servings for**  
12 people

**Cooking**  
10 min

**Preparation**  
140 min

Chop the ham; do the same with the mortadella. Cut the pork loin into cubes, then with a generous knob of butter, brown it in a pan for a few minutes. Set it aside and let it cool. Mince the cold cuts and cooked meat cubes. Then, once everything is minced, chop it a second time to make a smooth, soft filling. To the minced meats add an egg, Parmesan cheese and mix. Add a grating of nutmeg and mix again. Get a firm but still soft dough; if it is too soft, add more Parmesan. Cover with plastic wrap and refrigerate for at least 1 hour. On a pastry board pour the flour and form a well with your hand. Pour the eggs in the center and with a knife or fork begin to mix the eggs, incorporating the flour little by little. Once the eggs are no longer liquid, begin to knead with your hands until the dough is well formed. When the dough is almost completely smooth, cover it with a bowl and let it

rest for about 1 hour. Cut off a small portion of the dough and the rest put it back in a bowl, covered with plastic wrap. Flatten the dough with your hands and pass it through the sheeter to the widest size once. Fold the dough into 3 and run it through the sheeter again without squeezing

cover half of it with plastic wrap. To get a consistent measurement I use a 3 cm wide wooden ruler, you can, however, cut them freehand or by using other types of adjustable pasta cutters. The size to be obtained is still 3x3 cm. Be sure to roll out a few sheets of dough at a time and always cover the one you are not using with a bag to keep it from drying out. Spread the filling on each square, about the size of a hazelnut, then close the tortellini. Close the square to form a triangle, seal the sides tightly, then with a pinch fold the sides over themselves and close the tortellini by rolling the corners on your fingertip. The thing to note is that the closure is underneath the tortellini, not in front, only then will you get the typical navel shape. As you close the tortellini leave them on the pastry board so that they dry slightly, then place them on a tray with a dish towel. All that's left is to eat them with a great capon or meat broth.

# About us

The harmony of tradition that meets modern inventiveness: this is what Borgo Delle Tovaglie is for us, the place where our creations are made from fabrics of the highest quality. Our company was founded in 1996, in the heart of the ancient street of weavers in Bologna, from the desire to produce linen tablecloths with a unique and recognizable style, capable of carrying on an ancient tradition in a contemporary key. When in 2005 we - me, Valentina Muggia, and my husband Giuliano Di Paolo - took over the reins of Borgo Delle Tovaglie, we chose to continue the innovative path started by my mother and, at the same time, to bring our eclectic vision of the home to create bespoke environments, from the most essential to the most glamorous. Since then, our products have

been a point of reference in the world of interior decoration, thanks to the union between a traditional aspect and an unprecedented heart of modernity, capable of conquering the best shops of world decor. We like to say that the style of Borgo Delle Tovaglie has no fixed rules because it is cut and sewn to measure, according to the wishes of our customers. At the center, a relationship of close collaboration with the individual, which is born by interpreting their needs and supporting them at every stage, in order to create tailor-made projects, in perfect harmony. All our products, from stain-resistant linen tablecloths, to tablecloths and furnishing fabrics, interpret the home as an intimate place that reflects a style (*de vivre*) of life, beyond conventions and fashions.
