

A man and a woman are standing side-by-side, both wearing sunglasses. The woman on the left has long dark hair and is wearing a grey halter top. The man on the right has curly brown hair and a light beard, wearing a brown button-down shirt. In the foreground, a large, out-of-focus white number '10' is visible on the right side. The background is a plain, light-colored wall.

HERE TO SEE A BETTER WORLD

PARAFINA has a dream: to change the world. And the first step to change it is to change the way we see it. Consumption habits must evolve, but where others see the problem - waste - PARAFINA finds the solution: UPCYCLING. With this purpose, PARAFINA creates eco-friendly glasses with 100% recycled and organic materials, of high quality and design and accessible to all. Thanks to its commitment to innovation and education, when you choose PARAFINA you have the power to create a positive impact for the planet and people.

Join the change!

Made from recycled materials

A modern design, made from recycled paper for a brighter future.

A perfect case to store your sunglasses, comfortable, practical and minimalist. PARAFINA evolves into a fashion brand with a purpose, and that is why through this design we reflect our fashion side and also our ecological heart by using materials that are kind to the planet. Each of these boxes is made with recycled paper.

With a very special pencil.
That can be planted once used and that in turn symbolizes education and our Social Project.
