# HERE TO SEE A BETTER WORLD

PARAFINA has a dream: to change the world. And the first step to change it is to change the way we see it. Consumption habits must evolve, but where others see the problem - waste - PARAFINA finds the solution: UPCYCLING. With this purpose, PARAFINA creates eco-friendly glasses with 100% recycled and organic materials, of high quality and design and accessible to all. Thanks to its commitment to innovation and education, when you choose PARAFINA you have the power to create a positive impact for the planet and people.

Join the change!

# the tenth, KIDS

Making a positive impact is essential to promote sustainability and ensure a future for generations to come.

We have been doing this for 10 years.

10 collections promoting sustainable consumption.

10 sustainable materials have been the raw material for them.

10 people committed to the environment.

MADE FROM RECYCLED RUBBER TO LAST IN KIDS HANDS

Since PARAFINA was born, we have  
reused more than 12,401 rubber tires.
