ABOUT US

Right from the towel ring to the serving spoon, little bit of steel is there in every home; adorning our lives, shining with glory for years. Witnessing magnificent spell steel can cost on human lives we come forth to give a new dimension to the steel industry. And today, we are India's leading manufacturer and exporter of Stainless steel cutleries, kitchen tools and stainless steel utensils.

We have marched on a wide range of steel accessories and our range speaks of the volume of our success. Our portfolio reflects myriad moods with vast range of unique collections.

We are also into manufacturing of stainless steel sheets, coils & pipes, which are supplied to other vendors of houseware products; besides being used as raw materials in manufacturing our own magnificent range of products. We are the biggest raw material supplier. Consequently we are a step ahead, with on edge over others in terms of technological knowhow, quality, price and delivery. Our strong technical knowhow and advanced technology enable us to procure patterns or models customized as per customer's requirement.

WHY SNB?

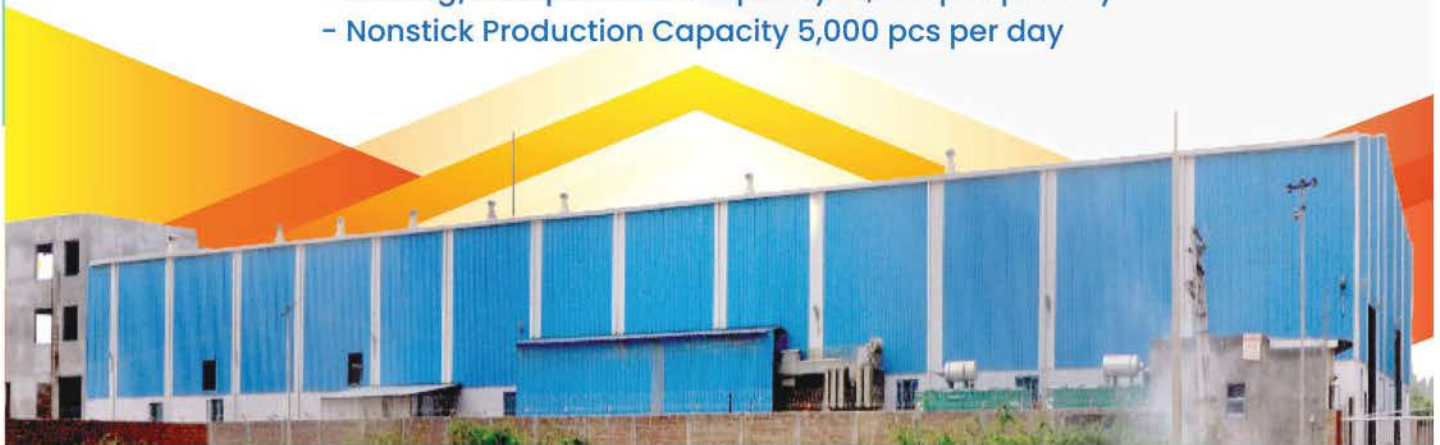

- ISO 9001:2015 Manufacturing Unit since 1996
- SA 8000:2014 Certified Company
- WalMart Audited
- ISO 14001: 2004 BSCIC certified
- Government recognized Export House
- Have advanced machinery for cutting, pressing, spinning, punching, polishing & fabrication etc.
- In-house Inspections with Q.A team - following QC manuals at initial, mid-line & final inspection.
- In-house testing like drop test, box busting test etc.
- Specialized in powder coating, Lacquering, Copper, Antique Copper, Gold etc.
- Updated technology for spot, argon & seam welding.
- In-house product designers with Innovative and customized designs which practically & technically examined.
- Have graphic designers for stickers, color boxes, customized pallets, PDQs, CDU's and more packaging concepts.
- Manpower over 500 employees

OUR COOKWARE & UTENSILS FACTORY

Size of factory 300,000 sq ft

- Cutlery Production Capacity 100,000 pcs per day
- Utensils Production Capacity 50,000 pcs per day
- Brazing/Encapsulation Capacity 10,000 pcs per day
- Nonstick Production Capacity 5,000 pcs per day
