Our mission is to make our homes greener and more livable through plants, which provide numerous health benefits, reduce stress, and improve air quality. We aim to reconnect people with nature by offering products that help them enjoy it indoors.

We also support local production, promoting jobs and labor in Europe.

Together, we can create a more logical world.

Home growing kit

With coffee as a substrate, we have created a kit through which you can grow your own mushrooms without leaving home. It's easy, fun and sustainable. The kit contains a sealed bag of oyster mushroom mycelium incubated on coffee grounds.
