HIGH QUALITY CUTLERY PRESENTATION

PRESENT BY: YANGDONG YEONGZHAO CUTLERY, HARDWARE & PLASTIC PRODUCTS CO., LTD.

About Us

- Yangdong Yongzhao Cutlery, Hardware & Plastic Products Co., Ltd. was founded in 1983. As a manufacturer of cutlery and flatware for over 30 years, we have taken the lead in this field since the launching of our first factory in mainland China, which covers over 14,000 square meters of area, and employs more than 120 skilled workers. We mainly manufacture stainless steel flatware, cutlery, cooking utensils, and cake sets.
- Besides, we sell hardware to other factories. OEM orders are accepted, and provide buyer's logo printing, packing design and instruction printing services.
- We have exported our products to more than 20 countries and regions such as Europe, America, Canada, South America, the Middle East, Africa, Japan, Southeast Asia, and Australia. However, Europe and America are our main markets. The use of scientific methods and automatic equipment enable us to have a large production capacity. We have an annual export amount of 150 million pieces. We guarantee provision of superior quality products and excellent sales service at competitive prices.
