

BRIEF HISTORY

The background of the image is a dense, repeating pattern of Maria Thaler coins. These are large, circular, copper-colored coins with a scalloped edge. Each coin features the word "MARIA" in the center, surrounded by a ring of small dots, and an outer ring of larger dots. The coins are arranged in a grid-like fashion, slightly overlapping, creating a textured, metallic background.

A collection of various hand tools, including brushes, knives, and chisels, are scattered on a light-colored, textured workbench. The tools are arranged in a somewhat haphazard manner, with some overlapping. The background is a plain, light-colored surface. The text "SKILLS & KNOW_HOW" is overlaid in the center in a large, white, sans-serif font.

SKILLS & KNOW_HOW

HANDCRAFTED EXCELLENCE

**A COMMITMENT TO QUALITY
IN EVERY STEP**

Our skilled and experienced artisans, combined with exceptional technical resources, bring you the high level of service you deserve. Crafting each ceramic piece involves a carefully planned, multi-phase process that is largely done by hand. This process demands patience, precision, and attention to detail. Through meticulous quality checks at each stage, along with an expertly coordinated production plan, we ensure that every piece meets our high standards, resulting in the outstanding quality that defines our work.

MY FAMILY TABLE

With MY FAMILY TABLE, the moments around the table will have another meaning. We want these moments to be unique, welcoming, different from others, and, above all, remarkable. This is how a new brand emerges, aimed at the family, since the moment of the meal is the time to gather at the table, those who are closest to us.

TI ALICE

Maria Alice, a village girl, very young, meets António Rosa... the boy in love with the art of ceramics. They raised their family and together they started an artistic ceramics company.... This small space allows each one of you to be part of this story that began 70 years ago. The story of a family, always linked to the earth, clay, ceramics.
