LUSH COLLECTION

| byfly

Fui criado para ser simples, fui moldado para ser tênue, fui produzido de forma equilibrada, fui finalizado por mãos discretas.
Nasci deslumbrante, volumoso e excessivo.
Quando a simplicidade se torna **exuberante**.

I was raised to be simple, I was molded to be thin, I was produced in a balanced way, I was finished by discrete hands.
I was born stunning, bulky and excessive.
When simplicity becomes **exuberant**.

AURA COLLECTION

Onde é o início ? Em que ponto fica o fim ?
Somos um corpo, redondo e complexo, e em
nosso redor círculos electromagnéticos
atraem-nos para outros corpos.
É a nossa aura que nos atrai, nos distingue,
nos diferencia e nos une.

Where is the beginning? Where is the end?
We are a body, round and complex, and
around us electromagnetic circles draw us to
other bodies.
It is our aura that attracts us, distinguishes us,
differentiates us and unites us.
