A green plastic tableware set is displayed on a grey oval placemat against a yellow background. The set includes a plate, a bowl, a cup, a spoon, and a fork. The plate features a space-themed design with the word 'Kistka's' in a stylized font, surrounded by illustrations of planets, a rocket, and stars. The bowl and cup are plain green. The spoon and fork have a green handle with a small pattern. Two small, colorful, textured balls (one orange, one pink) are placed near the bottom of the placemat.

A collection of modern, colorful ceramic tableware is displayed on a white surface. The items include a yellow bowl, a pink pot with a lid, a green mug, a pink cup, a green bowl, a red dish, an orange tray, and a yellow spoon. The pieces are arranged in a cluster, showcasing their vibrant colors and simple, functional designs.

three stunning Italian cities give their name to our new collections of melamine tableware

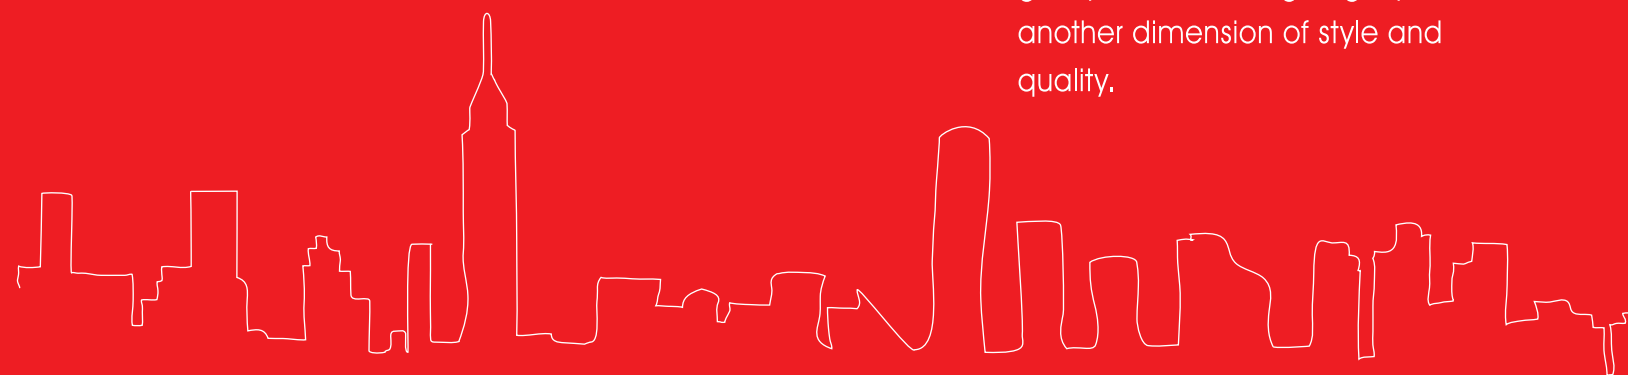

designed
in **Italy**

This collection is designer melamine tableware. Our design team is based in Florence, Italy, where inspiration and creativity naturally bring art to your home for everyday use.

We interpreted the appeal and virtues of melamine, resulting in three design collections that fit into today's lifestyles. The shapes of VENEZIA, SIENA and FIRENZE are exquisitely crafted to look beautiful to the eye and feel pleasing in the hand.

The colors and patterns of our designs are in tune with today's trends. Combined with our patterns of clean and simple "lines" and "lettering", our colors create a tableware collection that can be easily mixed and matched to suit a variety of styles that fit every home, from country chic to techno nomad, from warm minimalism to fusion blend, from minimal chic to techno romantic.

The finish of our melamine is glossy and matte, giving it yet another dimension of style and quality.

"BEAUTIFUL to the eye ...

...EXQUISITE to the touch"
