WHY CHOOSE MAXLINK

RICH INDUSTRY EXPERIENCE

20 years experience in stationery industry
TOP 10 stationery exporter in Ningbo
A highly trained team with 550 members
Rich industry resources collection
Provide customer overall products solution

QUALITY CONTROL & COMPLIANCE

40+ experienced quality control team
Perfect product quality control system
100% products inspection before shipment
Independent in-house laboratory
Products in strict accordance with local regulations
60+ factory audits annually from renowned customer
Certified by SCAN, SGS, BSCI, SEDEX, DISNEY FAMA...

STRONG MANUFACTURING CAPACITY

The industry's first full range of stationery production workshop configuration
8 workshop include Metal pen, Notebook, Injection, Offset printing, Assembling, Painting, Printing, Sewing
Advanced production equipment, Heidelberg Speedmaster, Martini binding machine, etc.
Flexible MOQ to meet the demand of different customer,
Efficient samples process, on time delivery
Professional color management to meet the unique needs of brand customers

SUSTAINABILITY

The concept of sustainable development carries out the whole process of enterprise management
Implement energy conservation and emission reduction, aims to be consistent with international organizations' overall targets on carbon emissions
In cooperation with ITS and HIGG, we rigorously test the carbon emission data of our plants
25 environmentally friendly materials are widely used in our products
Perfect ECO products certification system, we are certified by GRS, CRS and FSC...

STRONG PD AND DESIGN CAPABILITIES

Leader in fashion stationery in China
70+ PD and products design team
10000+ new item launched annually
10 product series designs are launched each year
8 main category covered stationery and lifestyle products

DIGITAL MANAGEMENT

SAP system has been imported since 2018
Every material in every order is tracked and traceable
System data supports the company's product development and customer service
Achieve efficient collaboration within the company
