ABOUT DELIGHT KING

In the past years, Delight King has been committed to providing our customers with green and healthy daily tableware. We specialize in opal glassware since it is a great high tech material and can be served as wonderful tableware in our daily life. We not only provide classic opal glassware, but also create more new models based on our strong R&D design team. From single products to serialized sets, from white to black opal glassware, from plain design to various embossed patterns, we ensure to provide stylish and creative opal dinnerware.

Not only does Delight King own excellent R&D capabilities, it also has a strong production capacity of 450 tons per day of various types of opal glassware such as opal plates, opal bowls and opal cups.

Delight King has passed social responsibility management system such as BSCI,SEDEX,-SA8000 and so on. And also our opal products can pass any food grade tests like LFGB, FDA, ISO, etc. Our goal is to expand more possibilities for greater daily tableware and to strengthen cooperation with all customers in the future.

PRODUCTION PROCESS

Our production team focuses on high-quality process forging. Strict quality inspection procedures and high quality services make us popular with customers.

1. MATERIAL MELTING

2. MATERIAL CUTTING

SEVEN SUPERIORITY OF DELIGHT KING OPAL GLASSWARE

1 HIGH QUALITY

Opal glass products are made from superior raw materials with high-tech automated machines and undergoes rigorous screening and testing.

2 DURA- BILITY

Melted by high temperature of 1500C, opal glass has the advantages of strong, stable, non-toxic, odorless, aging-resistant, durable, non-cracking, light and thin. It remains bright as new after long-term use.

3 STRONG R&D TEAM

More than 5 designers are available to design shapes, sizes and patterns. 3D samples of any new model can be provided within 48 hours.

4 HEAT RESIS- TANCE

Thermal shock resistant 100°C. Freezer and microwave safe.

5 CORROSION RESISTANCE

It has stable performance and high hardness, and its smooth surface is noteasily dusted.

6 EASY TO CLEAN

The non-porous surface of the product is easy to clean and can be rinsed directly with running water, minimizing the amount of detergent.

7 ECO- FRIENDLY

Made of natural recyclable materials that are healthy and environmentally friendly and do not contain any toxic substances such as lead, cadmium, etc.

DIFFERENT COLORS AVAILABLE

A fresh and elegant color scheme embellishes the home environment,
embracing every soul that longs for serenity.

MISTY GREY

It's the gauzy mist of the forest in the early morning,
and also the rhythm of a melodious song.

SERENITY WHITE

Pure, serene and untainted. Time seems to slow down
in this quiet whiteness like a snow-covered space.

MYSTIC BLACK

The sprawling ink colors lead the explorer into
the unknown, searching for the extraordinary
soul in the mundane.

MORANDI GREEN

Like the dappled green shadows in the afternoon sun,
the flavor of nature quietly permeates.

COLORFUL RIMS

Every color at the table exudes the enthusiasm towards life. The plates are highlighted with colorful rims, making every meal a feast for the eyes and the palate.

Dinner plates are not merely vessels for serving food, but also works of art on the dining table. The delicate colorful rim is designed to complement different styles of interior, adding a unique view to your dining environment.

DESIGN TEAM

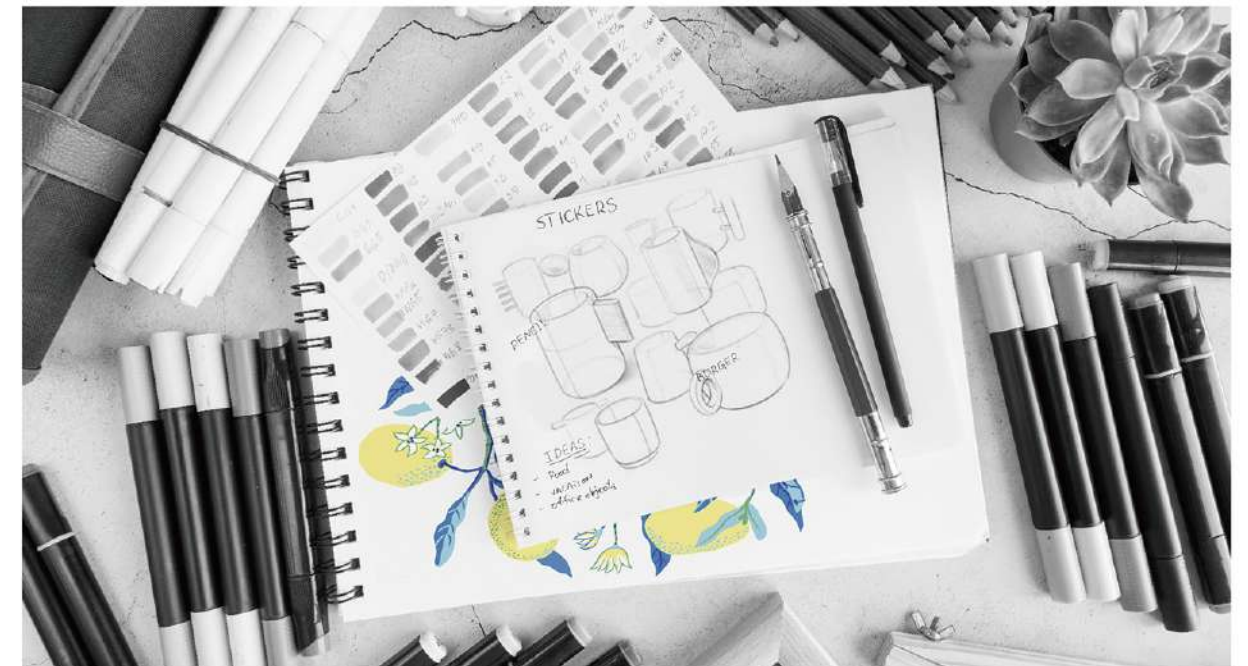

DK owns a passionate and creative design team. We can meet your needs and exceed your expectations whether it is graphic design or styling products design. DK's designers are outstanding in the industry, specializing in exploring inspiration from the needs of customers and transform the creative ideas into a unique and attractive design works. DK pays much attention to details, pursues quality, and try our very best to output the most perfect solution possible for our clients.

In terms of visual design, our designers are good at using elements such as color, shape and text to present the client's brand

concept and image to the fullest. Our designs are not only aesthetically pleasing, but more importantly, they can effectively convey the client's message and attract the attention of the target audience.

From the product styling design aspect, DK design team has an in-depth understanding and grasp of the functionality and aesthetics of products, and is able to design unique products for our clients to meet the market demand and enhance the value of the client's brand.

We believe that our designs are only successful if our clients are satisfied.

DIFFERENT PRINTING PATTERNS AVAILABLE

Satisfying consumers' demand for aesthetics and personalization and also adding a unique atmosphere and style to the dining table. Those who pursue quality of life and those who focus on a cozy family atmosphere will find a preferred choice in these exquisite dinner plates.
