COMPANY PROFILE

Founded in 2007, **ZETTA** has quickly become one of the leading PP filing stationery manufacturers in Asia, known for their exceptional quality, product variety, innovative design, and professional service.

ZETTA supplies an extensive range of PP filing stationery products, clear pockets, display books, expanding files, and document wallets.

In addition, **ZETTA** has its own production and research center where they develop and refine product qualities that suit their customers' requirements. They have been superior quality and strictly controlling every working procedure.

Their dedication to excellence has won the trust and recognition of millions of consumers worldwide, with products distributed in over 140 cities.

ZETTA believes in sincere cooperation to ensure win-win businesses and will continue to provide the best total office and school solutions to global customers in the future.
