# ENTERPRISE OVERVIEW

Shantou Nanheng Industrial Co., Ltd (NAHAM) was founded in 1994, who is specialized in manufacturing of home storage and office storage products. And we have taken up this for over 30 years.

Various kinds of material we are using, including RPET, recycled paper, linen, bamboo etc. Current we more focus on eco-friendly products and create many series targeted on it. That's lead us to win more market share especially in Europe, USA, Japan, .....

Every year, we will attend various kinds of fairs, include HK fairs, Canton fairs and other fairs abroad, like Ambiente, Spring fair, PLMA's World of Private Label Show, The inspired home show etc.

Our company also regularly organizes marketing department, sales department personnel to participate in major exhibitions, including on-site visit of well-known chain stores and home furnishing brand stores at home and abroad, in order to understand the latest market information faster and more timely and transform it into client sales.

I believe that we will continue to work hard to repay the love of customers all over the world.
