30+ years

Silicone Production Experience

WHY CHOOSE US

CREATIVITY

Creativity comes from our love of life, which we extend to every aspect of product design

OEM

We have more than 28 years experiences in OEM & ODM cooperation with worldwide customers. We have been working with more than 100 brand customers so far. More and more customers are joining us!

QUALIFICATION

Quality is the life of the brand and the life of the enterprise. Products with vitality is worth inheriting and is the driving force of our efforts.

VARIETY

Diversity of products gives customers a variety of choices, and also gives us more opportunities to enter more areas.

AUDIT

Whether it's ordinary quality management factory audit, or social responsibility audit; or large retail stores's direct factory audit, or third party audit ... We can fullfill all kinds of customer's factory audit's requirements.

FLEXIBITY

Flexibility is reflected in all stages of cooperation, from product design, tooling, Samping, packaging to shipping. We provide full support to customers

ENVIRONMENT

Environmental protection is not a slogan anymore but a top priority related to human beings. By developing silicone products to reduce the usage of disposible items canpro-tect our earth; what's more, by providing comfortble and clean workshop to our staff that can keep them healthier.

RESPONSIBILITY

Responsibility is commitment. We always regard our customers' affairs as our own responsibility to abide.

30th ABOUT US

Foshan Dragon Industry Co.,Ltd is a specialized manufacturer of silicone rubber products since 1995 which is engaged in production, trade and export of silicone household products and baby products.

There are 20,000㎡ production base with over 80sets compression machines, 11 injection production lines, 11 CNC molding machines, 6 screen printing machines, 3 independent raw material mixing workshops, and 4 dust free packing lines. We are able to produce over 300,0000 items every month in both platinum and peroxide silicone with compression and injection molding.

Focus on silicone rubber products over 30 years, our powerful R&D department of 26 engineers and designers have full experience in new products' development while our own mould department can easily control the speed and quality of OEM & ODM designs to meet customer's requirements and provide you the most professional suggestions if necessary to help realizing your design.

Our factory has got up to 41 patents with our innovation products, we passed ISO9001, SA8000, BSCI, Disney FAMA and SCAN certification and our products have successfully got FDA, LFGB, DGCCRF, Prop65, EN14372, EN14350, ASTM approval from international certificate authority of SGS &TUV&Intertek to meet needs of different markets.

Welcome to visit our factory anytime! It would be our greatest honor to provide you the most qualified products as well as best service! Choose us, choose your most reliable supplier!
