

IKOO GLASS[®]

HARVEST STRAINER HIGH-BOROSILICATE GLASS STORAGE CONTAINER

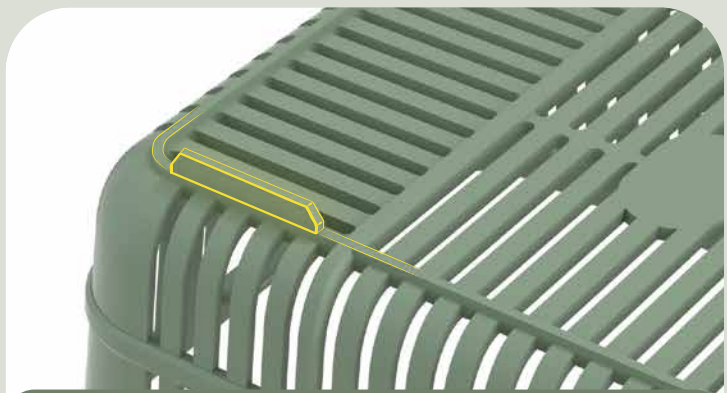

Effortlessly rinse, store, and serve fresh fruits and vegetables with our charming glass containers that double as colanders!

The inner basket is perfect for rinsing, while the outer glass container is ideal for serving or storing.

Densely hollowed-out design for quick draining.

The bottom feet design facilitates stable placement and accelerates air circulation.

HOLLOW AND RAISED SIDES FOR EASY GRIP

LAYERED DESIGN FOR EASY CLEANING.

The inner basket drains water, while the outer container stores it.

USE THE STRAINER DIRECTLY FOR EASY RINSING.

EFFORTLESSLY TRANSITION FROM STRAINING TO SERVING
WITH THIS VERSATILE CONTAINER.

HEAT-RESISTANT GLASS LID

- **HEAT-RESISTANT GLASS LID WITH VENT**
- **PP HOLLOWED-OUT DRAIN BASKET**
- **HIGH-BOROSILICATE GLASS CONTAINER**

SIMPLY OPEN THE VENT TO WARM FOOD IN THE MICROWAVE.

VENTED DESIGN

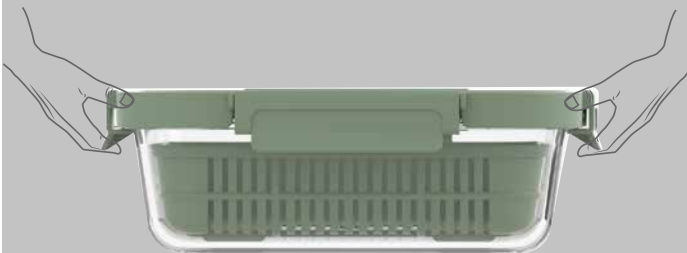

STORE IN REFRIGERATOR TO KEEP FOOD FRESHER AND LONGER.

When microwaving, water is retained at the bottom to preserve moisture, ensuring that your food stays moist and delicious throughout the process.

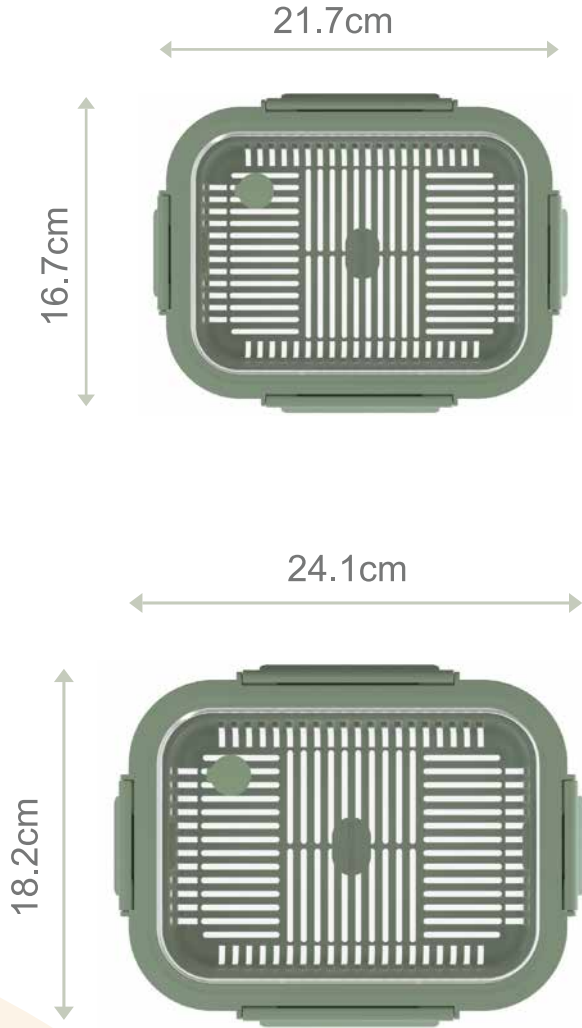

Transparent glass lid, easy to see the food inside at a glance.

The snap buckle is designed to tilt outward, making it easy to remove from the microwave without burning your hands.
