- Add a suitable amount of water into a container and then soak the T-shirt totally for a while, take it out and wring it out.
- Hold the T-shirt from «X» point
- Rotate the T-shirt until it formed a circle.
- Tie up the T-shirt with rubber bands or ropes in all directions until we get a wedge shape.
- Pour clean water and shake it well.
- Place the same color in the wedges across from each other
- Put it in a ziplock bag and then allow for 8-24 hours.
- Wash it with water.
- It is ready to wear after drying fully.
