Company profile

DTYT Industry Co.,Ltd was founded in 2009 which specialized in outdoor knives and kitchen knives with more than 10,000 m² workshop and 300 employees.

Our company is one of the few in the industry who insists on strictly selecting AUS-10 steel core imported from Japan, high-quality VG10 Damascus steel, M390 steel, D2 steel etc. to produce a full range of high-end knives.

We have rich knife-making experience and a top-level craftsman team to create the finest knives by combining age-old and cutting-edge techniques. We have developed over 50 making processes to provide the reliable production of high-quality knives. Every knife is painstakingly crafted over 50 days with the highest quality materials, so it is a razor-sharp knife and artistic statement in premium design and workmanship.

Our products are mainly exported to Europe, the United States, Japan, South Korea and other countries. The quality is favored by brands from all over the world.
