ABOUT US

Manulena, a company with over **50 years of experience in the market**, has been a stalwart presence in the industry. Since its inception, **Manulena** has epitomized excellence and innovation, continually setting the benchmark for quality and reliability in its field. Over the decades, the company has evolved, adapting to changing market dynamics while staying true to its core values of **integrity, excellence, and customer satisfaction**.

Manulena has been manufacturing candles, diffusers and cosmetics products.

MASSAGE CANDLE

On a journey filled with passion and dedication, Manulena delved into creating the perfect formula for a **massage candle**. Each fragrance was chosen carefully, each formula meticulously crafted, everything was part of an incessant quest for excellence. And then, when we finally lit that candle for the first time, we felt something more than the warmth of massage oil on our skin. We felt the warmth of the dream that was still in its infancy. This candle was not just a product for the Manulena brand. Our dream grew before us, with a clear vision of expansion and progress. And so, with hearts full of determination and courage, **we decided to invest in expanding our cosmetics manufacturing facility**.

Today, this facility is much more than a production factory. It's a center of innovation where we create a multitude of products. From everyday use products to specific care items, each item is a testament to our commitment to excellence and our relentless pursuit of beauty.

AND SO, WE FONDLY REMEMBER THE MOMENT
WHEN A SIMPLE MASSAGE CANDLE PROPELLED US
FORWARD IN THE COSMETICS FIELD.
AND AS WE MOVE FORWARD, WE ARE FILLED WITH
HOPE AND ENTHUSIASM
FOR WHAT THE FUTURE HOLDS.

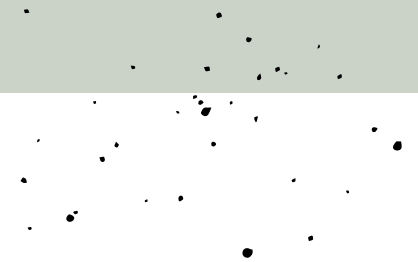

OUR
PHILOSOPHY

MISSION

Our mission is to provide our customers with an **exceptional experience by offering the best products**. We commit to working daily to ensure the quality of our products, always in harmony with sustainable development, in order to establish long-term trusting relationships with our customers.

Additionally, **we offer labeling services** with specialized machines, ensuring precise and efficient application on front and back labels, as well as 360° labeling.

OUR SERVICES

WE CAN RELY ON A SKILLED TEAM IN THE CREATION OF FORMULAS AND PRODUCTS.

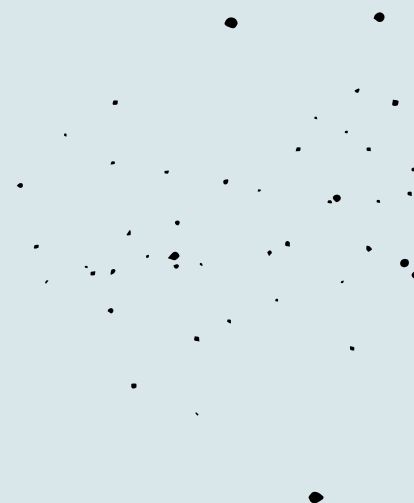

In addition to manufacturing cosmetic products for our own brand Manulena, **we also offer formulation and production services for various brands.**

This capability allows us to meet the demands of customers seeking personalized products. We have an internal laboratory unit dedicated to product development and initial samples. Additionally, we have the support of testing, efficacy studies, and regulation conducted by an accredited external laboratory.
