ABOUT NEW LEADER STORY

1

ABOUT NEW LEADER

- Shaanxi New Leader Enterprise CO., LTD was founded in 2012, located in Xi' an, Shaanxi Province. We have a professional sales team with 17 members, and the core members engaged in glass business for more than ten years.
- We took the cooperation model among share-holding the factory (Guanghua Glass), actually New Leader and Guanghua is a joint venture. So we have the absolute advantage in factory production process of the whole supply chain.

• ABOUT NEW LEADER

NEW LEADER

- In the severe situation of the Chinese government requiring all factories to implement the strictest environment protection policy in 2017 and 2018, a large number of orders of others trading companies were postponed or cancelled by factories. But, with Guanghai Glass, New Leader delivered 100% of all orders on that time.
- In the past three years from 2020 to 2022 affected by covid-19, our factory ensured the on-time delivery of all orders.
