# The POWER of BEAUTY

# About Us

Dinamo Cosmetics was established in Tuzla/Istanbul in 2013, but since 2021, it continues its activities in the factory with an area of 20,000 m<sup>2</sup> in Gebze/Kocaeli. It carries out its domestic logistics operations from its warehouse in Kocaeli and Antalya.

The company has started the production process with hotel amenities and it is currently developing new products in the categories of Personal Care, Home Fragrances, Perfumes and Pet Care. Dinamo Cosmetics can also produce plastic preforms, caps and bottles with its plastic injection and blow molding lines.

We look in the same direction as every member of the Dinamo Cosmetics family, a good future That's why we offer the best from the beginning of production to the moment the product reaches you.

# Renewable energy & respect for nature

As Dinamo Cosmetics, we transform sunlight into energy with our new solar panel investments. We create renewable energy sources for a sustainable world.
