train

THE PRESENT

Company introduction

Founded in 1983, AP Group (China) Co., Ltd is a professional manufacturer and exporter specialized in the design, development and production of all kinds of notebooks, diaries, planners, excise books, notepads, file holders and calenders.....

Covering a area of 150,000 square meters, with more than 1000 employees, the AP industrial park (headquarter of AP group) located in Jinjiang, and enjoys a convenient transportation access which is 5 minutes to Quanzhou international airport and 30 minutes to Xiamen Gaoqi international airport.

In 2023, AP has setted up an overseas branch factory in Ho Chi Minh Vietnam, this factory 100% invested by AP Group and first stage covered more than 15000 square meters, keep expanding, all types of notebook, diary, calendar, folders can produce in this factory.

AP very focus on developing designs, we have set up the products development center in Guangzhou, China, also has the design branch office in Xiamen, Jinjiang. Every year we develop more than 200 new items, and we are very strong in introducing new materials, new techniques, new structures etc.into our products.

THE PRESENT

Company introduction

Reputation comes from the excellent quality and compliance. AP had been certified with ISO 9001:2015 quality standard, and ISO 14001:2015 environmental standard, also passed the audit of BSCI, SEDEX (4P), DISNEY, WALMART and FSC PEFC. AP Group were continuously honored as : “China’s export famous brand” , “China’s top ten stationery brand”.

We are proud to serve the customers from more than 60 Countries globally. Our customers are famous notebook brands, major stationery retailers and wholesalers. To meet the increasing and diversified demand from our global customers, Ap had set up a new plant in Philippine. Both factories from China and Philippine produce wide variety of products as well as different types of bindings, such as: Case binding, Spiral/Wire-O binding (Plastic /Metal), Sewing, Glue binding, Staple binding.

AP has large numbers of most advanced equipment imported from Germany, Italy, Japan etc, such as Heidelberg speed master printing machines (from 1Color to 8Colors), Horauf case binding machine, Kolbus automatic book production line, Womako automatic wire/spiral binding line etc. More than 80% of our production are automatic. Till 2021, our yearly capacity can be more than 5000 containers, AP keep growing up and expanding every day.
