

Company Profile

Introduction

Welcome to Qixian Elegant Glass Co., Ltd., where art and practicality blend seamlessly. Established in 2008, we're based in the glassware hub of China——Qixian in Shanxi province.

Our modern 20,000 square meter facility includes an independent R&D department, 5 precision processing lines, 2 post-processing workshops, 2 advanced furnaces, 4 spacious warehouses, and 2 elegant showrooms. We are equipped for extensive OEM/ODM production and international exports.

Under the self-owned brand "Meizhili," our lead-free crystal glassware is cherished both in China and abroad, gracing homes in the North America, South America, Middle East, and East Asia.

Explore our well-selected range of glass drinkware and dinnerware, where transparency, brilliance, finesse, and charm meet in perfect harmony.

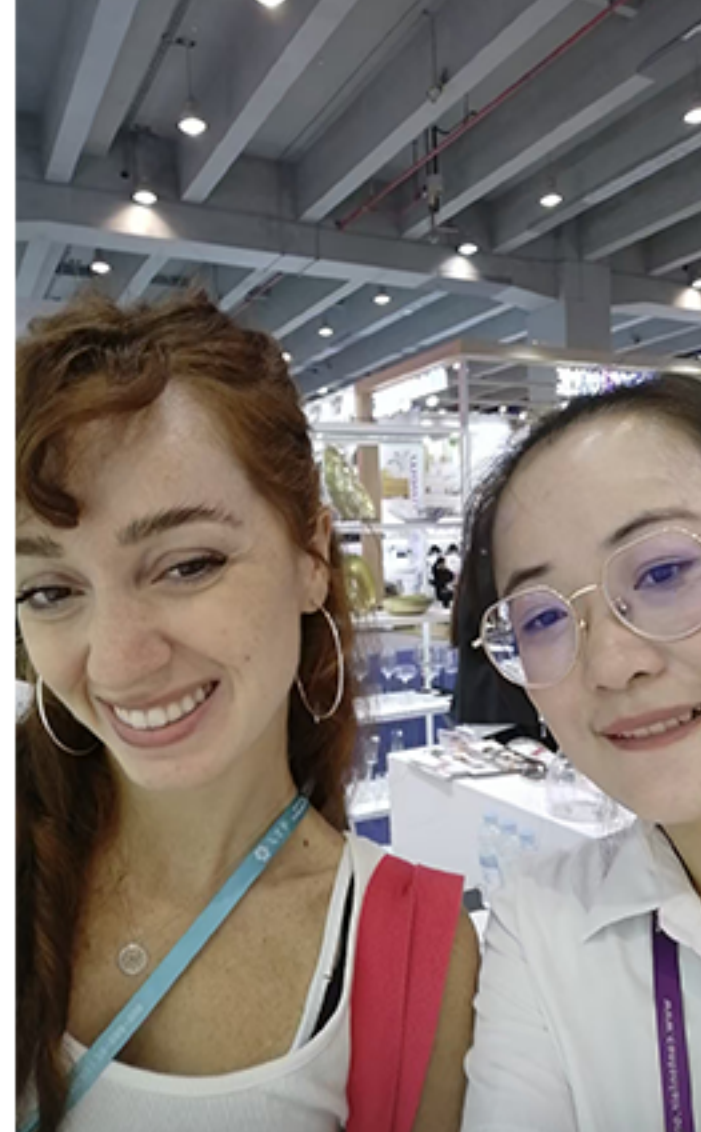

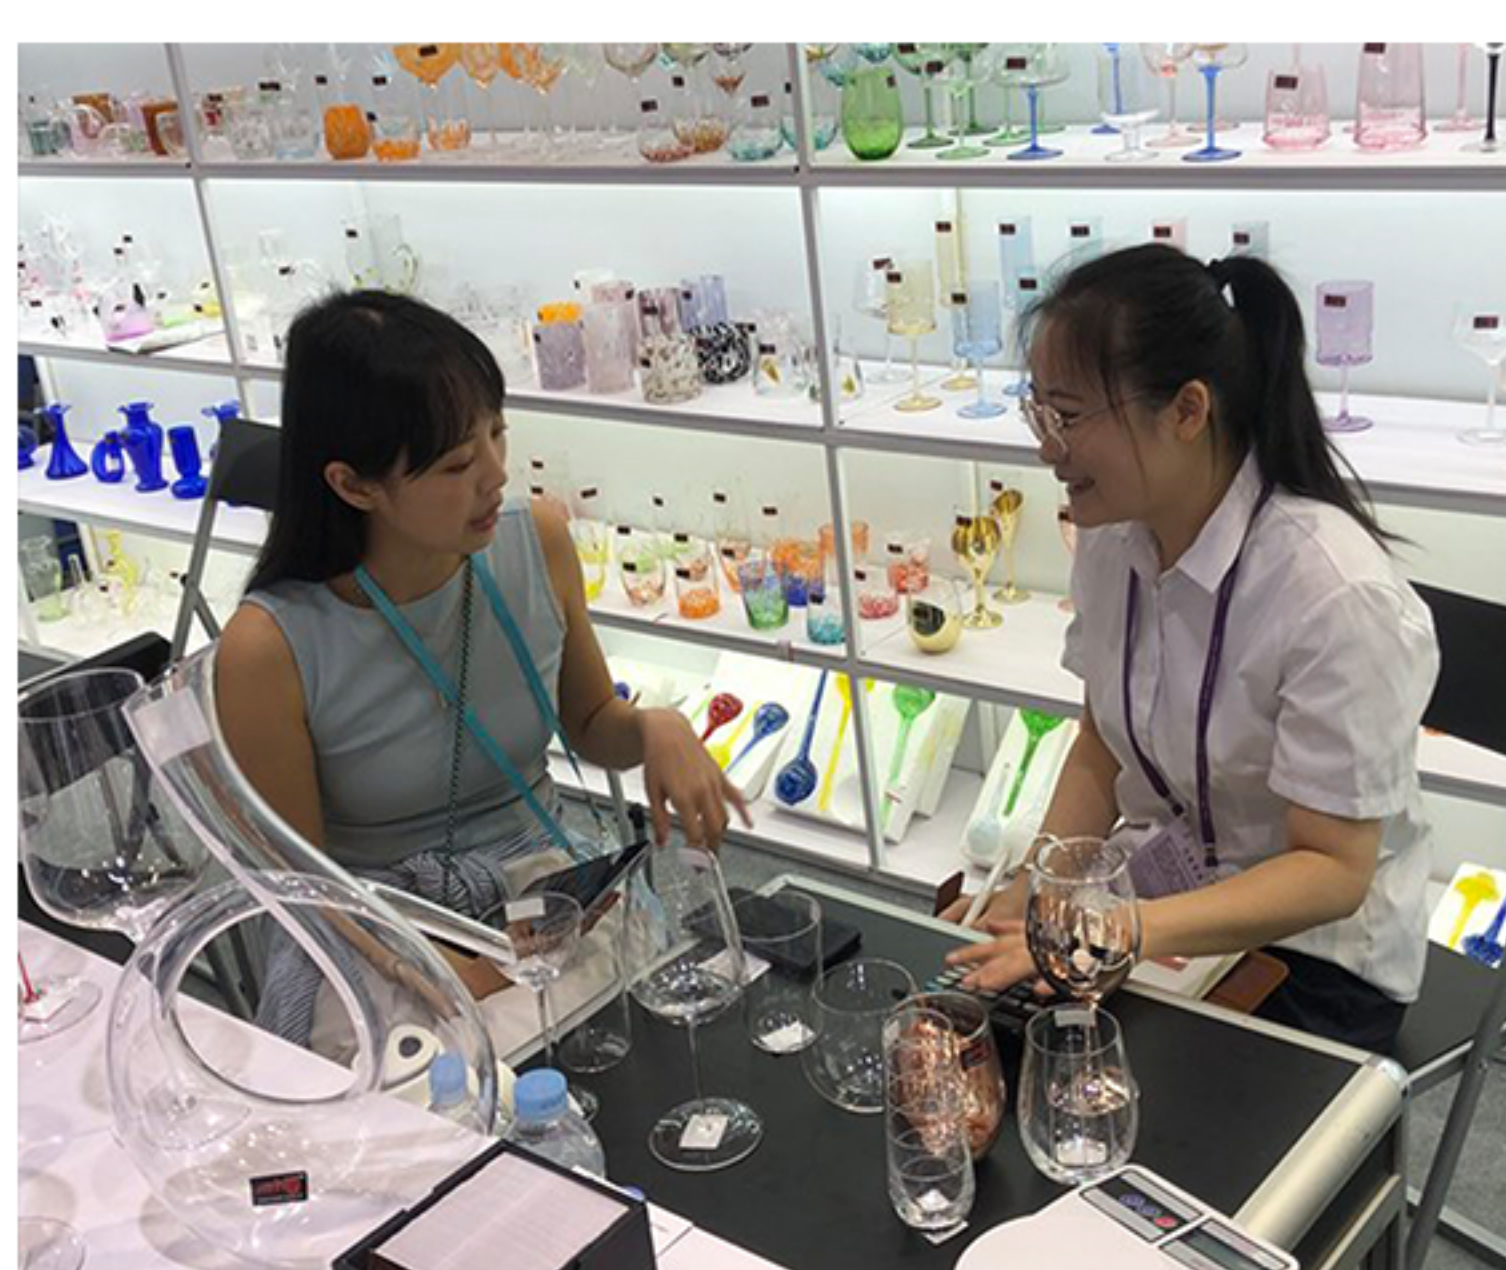

We presents ourself as a green company with a social mission, innovation, and a "Customer First" approach, offering not just products but experiences that elevate everyday life. Join us on this journey and let life be a canvas adorned with Meizhili's brilliance.
