## COMPANY PROFILE

Hangzhou Jinma Stationery and Gifts Co., Ltd. was founded in 2003, located in the Tianying Innovation Industrial Park of Fenshui Town, a town of Zhejiang Province and known as Land of Pen Manufacturing in China. We are committed to guidance proposed by President Xi——improve the strengths, highlight the features, expand the size, and integrate urban and rural areas——to achieve transformation and upgrading and improve quality. As a company operating design, R&D, production and selling, Jinma is a professional pen manufacturer with remarkable production strengths and development potential.

In 2022, the company was nominated as one of the "Fastest Growing Company" by China Pen Manufacture Association. We employ more than 120 employees, including 10 R&D employees and more than 30 managers, and own more than 50 automated assembly lines, which contributes to the annual production of more than 300 million pens of various types. From design and development to finished product manufacturing, the company strives to provide first-class services for domestic and foreign clients. The company has obtained ISO9001, ISO14001, ISO45001, BSCI and Walmart certifications. It has been recognized as one of the Top Ten Manufacturer the local industry, and certificated as a national high-tech enterprise and small and medium-sized technology-based enterprise of Zhejiang Province.
