未来规划  
Future planning

2024

## future planning

STEP  
02

bring intelligent production equipment, break through the limitations of labor  
Increase production capacity and reduce labor costs

UNITY

Intelligen

Innovation

Branding

STEP  
01

Integrate all production lines together  
Unified management  
And expand the staff to 1000+ people

STEP  
03

Increase investment in product design, adhere to the 'easy to use, pretty new'

STEP  
04

Some of the new products will be added to the design of Runhui's own brand

# Service aim
