

T & G
PRESS PACK
2025

PRESS RELEASE: **FOR IMMEDIATE RELEASE**

T&G: Join T&G at Ambiente as they celebrate 50 Years and a bright new chapter under family ownership.

Since 1975, T&G has been a trusted name in designing, producing, and responsibly sourcing high-quality kitchenware and Catering products. From humble beginnings as a woodware company, T&G has evolved into a lifestyle brand renowned for creating products that combine functionality, durability, and timeless design. Now, under the new ownership of the family-run business JIG UK Ltd, T&G is embarking on an exciting new chapter, building on rich heritage and legacy.

Join Us at Ambiente 2025

T&G will be exhibiting at Ambiente 2025, the world’s leading trade fair for consumer goods, from 7-11 February 2025. Come and meet us in Hall 9, Stand A43. On show will the latest ranges and iconic products that cater to both domestic and professional needs. Whether you’re looking for stylish and practical solutions for the home or durable, easy-to-use catering products, T&G has something to inspire and delight. Stop by and say hello!

A World of Versatility and Style

T&G remains steadfast in its mission to inspire with a diverse product offering spanning domestic kitchenware, home gifts, and professional catering essentials. From front-of-house table service to back-of-house tools, our products are trusted by households and hospitality professionals alike. Also on offer bespoke and branded products tailored to meet unique customer needs.

Designed in the UK, Made with Integrity

Every T&G product is proudly designed in the UK with a commitment to sustainability and responsible sourcing. FSC® certification ensures all beech wood chopping and serving boards, salt and pepper mills and utensils and our range of cork mats, coasters and pot stands meet rigorous environmental, social, and economic standards, offering customers an independent guarantee of sustainability.

Ranges include:

- Ceramics – Beautifully designed, functional kitchen storage and table top items.
- Recycled Glass – Eco-friendly and stylish additions to any table.
- FSC® Cork – tablemats, coasters and pot stands/trivets.
- FSC® Beech – natural chopping and serving boards, utensils and salt and pepper mills.
- Utensils – Versatile tools for every kitchen task.
- Salt, Pepper & Spice Mills – Featuring durable ceramic grinders that outperform plastic or metal.

Looking Ahead

Stepping into the future under JIG UK Ltd, T&G is excited to embrace new ideas and innovations while remaining true to the values that have defined the company for five decades. Together with their customers, they are committed to continuing the T&G tradition of delivering products that stand the test of time, whether in the heart of the home or the bustling world of hospitality.
