2024

*As we evolve,
Our homes should too.*

- Suzanne Tucker

OVERVIEW

We believe in Excellence, Versatility and our Community.

Senses Lifestyle is a Government-recognized Export House, specialising in superior quality Kitchenware, Tableware and Homeware products. Founded in 2015, we are manufacturer and exporter of Indian handicrafts to clients globally.

We are acknowledged for our professional approach in creativity, design and to ensure that our products shall be tuned with the latest trends and reliable global compliance. We are one of the major innovators in the handicraft’s export market. We are committed to achieving the highest standards when meeting the needs of our customers through competitive pricing, quality and reliable delivery.

Our business is built upon our people, our time-honored values, our approach to sustainability through the entire supply chain, and our community engagement. Our global network, financial strength and leadership are the platform for our continued success and future growth.
