

Converting Waste Plastic Bottles into Sustainable Lifestyle Products

We are the manufacturer/exporter of eco-friendly & sustainable home and lifestyle products, made out of recycled waste plastic bottles.

With 20+ years of experience in the manufacturing of polyester felt & capacity of 500 tons per year, made out of OEKO-TEX certified fiber. We as a company ventured into this product line to make the world a better living place for our future generations. Our motto is to keep it simple, neat and clean.

Till date we have recycled more than 1 lakh+ waste plastic bottles into beautiful products.
