Scrub & Clean Multipurpose Cloth

Double-sided Scrub & Clean

The Multipurpose Scrub & Clean Cloth is a double-sided wipe designed with unique raised scrubbing dots to remove stubborn dirt and grease. It leaves surfaces clean and dry.

- Easily removes tough dirt and grime
- Leaves no residue behind
- Dual-purpose scrubbing and wiping
- Durable and long-lasting

Compostable Multipurpose Cloth

Compostable and Ecological

Soft, highly absorbent, and super-efficient cleaning cloth is made from renewable resources and is 100% plastic-free. It's reusable, durable, polishes surfaces, and leaves them clean and dry.

- Compostable - Made from 100% natural fibers
- Highly soft and absorbent

MicrobiFix® Multipurpose Cloth

Odor Resistance

The MicrobiFix® Multipurpose Cloth is designed to self-clean for extended durability. The viscose material is super absorbent. The integrated copper fibers significantly reduce odors caused by bacteria buildup, allowing for easy reuse. It's a super absorbent cloth that leaves surfaces clean and dry.

- Odor resistance
- Patent pending technology
- Long-lasting action, machine washable
- Highly absorbent

MicrobiFix® Dish Drying Mat

Odor-Resistant Drying Mat

The MicrobiFix® Dish Drying Mat is a highly absorbent drying mat for pots, pans, dishes, and glassware. The integrated copper fibers reduce odors caused by bacteria buildup on the mat itself, allowing for easy reuse. The super-absorbent mat holds over 10 times its weight in liquid.

- Specially designed fabric, safe for delicate dishes and glassware
- Odor-resistant, prevents the growth of odor-causing bacteria
- Super-absorbent, holds over 10 times its weight in liquid

SUPERIOR XL Multipurpose Cloth

Super-Absorbent multi use

Quick-absorbing cloth holds large amounts of water, making it perfect for wiping up spills, dirt, and stains. It leaves surfaces spotless and streak-free. The cloth polishes and cleans, leaving surfaces clean and dry, without chemicals.

- Super absorbent, absorbs up to 10 times its weight in water
- Streak-free shine, prevents water spots and streaks
- #1 choice for car care, gentle on car finishes
- Reusable

FogiFix®

Prevents Condensation

FogiFix® Anti-Fog Dry Wipe is a unique and innovative product that provides immediate and long-lasting anti-fog protection for various surfaces, including glasses, goggles, safety shields, car windows, mirrors, refrigerator doors, and more.

- Prevents condensation and provides extra shine
- Immediate and long-lasting anti-fog protection
- Incredibly easy to use
- Reusable and cost-effective
- Safe and effective on a variety of surfaces

Multipurpose Cloths

Highly absorbent

Highly absorbent for cleaning, washing, wiping, drying, and polishing any surface. The cloth is reusable and machine washable (86°F/30°C).

- Makes cleaning easier and more efficient
- Highly absorbent, absorbs over 10 times its weight
- Reduces waste
- Variable sizes and packaging options

Quick Car Wash

Soap-Infused Car Wash Sponge

Perfect solution for a super quick car wash. Simply attach the sponge to a hose to activate the soap. The soap-infused sponge will lather up and clean your car in no time. Just rinse and dry, and you're done!

- Quick and efficient cleaning
- Hassle-free car washing experience
- Eco-friendly and sustainable cleaning
- Cost-effective cleaning solution

Diniclean® Pets

Soapy Bathing Glove

Innovative glove makes bath time a breeze for both you and your pet. Simply add water, rub the mitten to build a thick lather, wipe and scrub your dog or cat as needed. No more struggling or mess!

- Makes bathing your pet quick and easy
- No-rinse formula - just dry wipe
- PH balanced
- Easy to carry
