PROFILO

Gi-Erre, da oltre 60 anni, è tra le aziende leader in Italia nella produzione e commercializzazione di articoli e strumenti per la pulizia della casa, per la cura ed igiene della persona, per il giardinaggio nonché per il settore professionale.

Da sempre, la soddisfazione del cliente e l'innovazione continua sono i nostri valori principali.

L'esperienza acquisita in tanti anni di attività, unita agli impianti produttivi altamente automatizzati ed ai continui investimenti, ci consentono di essere un **partner affidabile e flessibile** per la GDO, sia in Italia che all'estero.

Investiamo costantemente per migliorare la qualità dei prodotti e nella ricerca di nuove soluzioni, per rispondere ad un mercato in continuo cambiamento.

La nostra gamma è stata studiata e realizzata per soddisfare le esigenze di mercati diversi tra loro, ma sempre più globalizzati.

La partecipazione come espositori alle più importanti fiere di settore in paesi europei ed extraeuropei, la rete capillare di vendita in aree commercialmente e logisticamente strategiche, la stipulazione di partnership con importanti realtà distributive, in Italia e all'Estero; rendono l'azienda una realtà solida e conosciuta nel settore di riferimento.

Negli anni, Gi-Erre ha conquistando una presenza di rilievo sui principali mercati esteri e in molti dei paesi emergenti.

Da più di 60 anni, siamo riconosciuti in Italia e nel mondo, grazie ad una qualità senza compromessi, che ci contraddistingue in ogni prodotto, eleggendoci a punto di riferimento nei mercati in cui operiamo.

Gi-Erre offre al cliente, sia in Italia che all'estero, l'esperienza e la professionalità di un **team altamente qualificato**, motivato e sempre aggiornato, in grado di fornire supporto professionale e continuo.

Sempre più **Customer Oriented**, non solo Product Oriented.

PRODUZIONE: MADE IN ITALY

Da più di 60 anni, Gi-Erre produce un'ampia gamma di articoli per la pulizia, per uso sia domestico che industriale/professionale: scope, spazzole, spazzoloni, mop lavapavimenti, palette, secchi, manici, panni e spugne.

Fin dalle origini, l'azienda ha mantenuto la produzione in Italia, ha investito in macchinari tecnologicamente evoluti sempre più automatizzati ma flessibili, aumentando la produttività garantendo contemporaneamente **personalizzazione**.

Il **Made In Italy** è un valore in cui crediamo e un driver che ci distingue dai competitor.

La produzione, le varie fasi di lavorazione e confezionamento avvengono all'interno dei nostri stabilimenti.

Realizziamo **15.000.000 di pezzi all'anno**, di cui il 60/70% sono esportati in più di 50 paesi, europei ma soprattutto extraeuropei.

L'azienda è dotata dei più **moderni ed automatizzati impianti** per la realizzazione e il confezionamento di un'ampia gamma di articoli.

Grazie a macchinari per il confezionamento completamente automatizzati, garantiamo ai nostri clienti la massima **flessibilità**: personalizziamo i diversi livelli di packaging dei prodotti in funzione delle loro esigenze, del mercato di sbocco, della tipologia di item e/o dei materiali utilizzati.

Grazie agli investimenti in asset strategici, al controllo completo della filiera produttiva e della supply-chain, l'azienda è cresciuta ed ha migliorato costantemente il proprio **know-how**. Garantiamo flessibilità e elevato livello di servizio.

Just in time, adattiva e plasmabile alle esigenze del cliente: questi sono alcuni dei nostri punti di forza.

Tutela del Made in Italy e mantenimento della produzione in Italia, sottolineano l'impegno dell'azienda a difendere e creare occupazione sul territorio, proteggendo l'indotto.

Continuità aziendale e processo di crescita interna sicuro.

SEDE

La sede si trova nello storico stabilimento di **Viadana** (Mantova).

L'area di **18.000 mq.**, di cui 9.000 coperti, comprende:

Rapidità e precisione nelle fasi di preparazione degli ordini; sicurezza e garanzia di **consegne rapide** in Italia, Europa ed ExtraEU.

PROFILE

Gi-Erre, for over 60 years, is among the leading companies in Italy in the production and distribution of products and tools for household cleaning, personal care and hygiene, for gardening and professional sector.

As always, customer satisfaction and continuous innovation are our core values.

The **experience** gained over many years of activity, combined with highly automated production machinery and continuous investments, allow us to be a **reliable and flexible partner** for large-scale retail chains, in Italy and abroad.

We continue to invest for improving products' quality and we invest in R&D, to find out new solutions for an ever-changing market.

Our range is designed and built to meet the needs of markets completely different among them, but more and more globalized.

The participation as exhibitors at the most important trade fairs in European and Extra-European countries, the sales network in commercially and logistically strategic areas, partnerships' development with leading distribution companies in Italy and abroad; make the company solid and well-known in its sector.

Over the years, Gi-Erre has gained a significant presence in the major foreign markets and in many developing countries. We annually produce 15 million pieces, of which 60% are exported in more than 50 countries, European but above all Extra-European.

For over 60 years, we have been recognized in Italy and all around the world, thanks to the uncompromising quality, that distinguishes us in every product, electing us as a landmark in the markets in which we operate.

Gi-Erre offers to customers, in Italy and abroad, the experience and professionalism of an **high-qualified team**, motivated and always updated, able to provide professional and continuous support.

Customer Oriented, not only Product Oriented.

PRODUCTION: MADE IN ITALY

For more than 60 years, Gi-Erre produces a wide range of articles for cleaning, both domestic and industrial uses: brooms, brushes, push-brooms, mops, dustpans, buckets, handles, cloths and sponges.

From the beginning, the company has maintained its production in Italy, it has invested in technological advanced machinery more and more automated but flexible, thus increasing productivity while ensuring **customization**.

Made in Italy is a value we believe in and a driver that differentiate us from competitors.

Production, all manufacturing processes and the packing are carried out within our plants in Viadana.

We annually produce **15.000.000 pieces**, of which 60% are exported in more than 50 countries, EU but also Extra-Eu.

The company is equipped with the most **modern and automated machinery** for the production, but also for the packing of a wide range of items.

Thanks to fully automated machines for the packing and the packaging, we guarantee our customers maximum **flexibility**: we customize the different levels of products' packaging according to their needs, the sales market, the type of item and/or the materials used.

Thanks to investments in strategic assets, to complete control of the production cycle and supply chain, the company has been able to grow and to improve continuously its **know-how**.

We ensure flexibility and a service aligned with the expectations and needs of modern distribution, as well as the challenges posed by globalization.

Just in time, adaptive and mouldable to customers' needs: these are our three main strengths.

Protection of Made in Italy and maintain the production in our country, underline the company's commitment to protect and create work-places in the area, protecting the district. Family business continuity and safe internal growth process.

Strizz Mop

Easy wringer mop

Ha cambiato il modo di strizzare

Per lavare e strizzare senza chinarsi e sporcarsi le mani.

ISTRUZIONI PER L'USO:

- 1) Bagnare bene il Mop in acqua e detersivo per pavimenti.
- 2) Espellere l'acqua spingendo velocemente lo strizzatore dall'alto verso il basso
- 3) Ripetere 2/3 volte il movimento velocemente
- 4) Lo Strizz-Mop può essere usato su tutti i pavimenti.

Non è necessario lo strizzatore.

Squeezer no needed.

For washing and wringing without bending down and soiling one's hands.

INSTRUCTIONS FOR USE:

- 1) Wet the mop thoroughly in water and floor-cleaning detergent.
- 2) Eliminate excess water by pushing the squeezer down sharply and pull up quickly.
- 3) Pull up quickly.
- 4) Use Strizz-Mop on all floors.
