RADIUS PENS

ABOUT US

© Radius Pens and Stationery

SSB metal works was established in 1987 in India and now has been known across the globe for manufacturing and exporting high quality under the name of its very own brand RADIUS.

Radius is a combination of exceptional know-how and high-quality materials, that allows our pens to stand the test of time and anchor the link between generations. Radius stands for quality products built with the finest level of precision at our state of the art production facilities in India. We at Radius are committed

to making the finest quality of writing instruments and stationery products for our customers and make sure to provide them with a delightful and unforgettable writing experience.

We manufacture these pens at our production facility in Mumbai, India. We are equipped with high precision machinery for standard and special purpose operations and have the facility for multicolour screen printing and pad printing for promotional pens. We have in house moulding facility with the latest CNC and Electronic Discharge Machine and automated assembly to make sure not only the production but also the assembly is accurate. We have a large number of satisfied clients for all our products.

OUR LOGO

Through constant introductions of innovative products and our commitment to quality, Radius has become one of the largest manufacturers of writing instruments and stationeries and one of the favourite & popular brand to get associated with among all distributors and above all, Consumers.

As we quote Elmore Leonard
"A pen connects you to the paper. It definitely matters"

To us at Radius we follow the same as our maxim to deliver our end users the experience one wishes. Our fine quality writing instruments are subjected to the strictest quality control measures right from procurement of best raw materials to intermediary checking in the workshop and finally screening of the finished products for defect.

Pen

Availability of various kinds of tips as shown in the picture capable to fulfil the expectation of every writing lover

The pull-cap ballpoint range of pens from the house of Radius blends ergonomic designs with excellent aesthetics. One of the highlighting features of the pen is the exceptional balance, control and grip for fatigue-free writing. The ink manufactured using the advanced better flow technology makes the pen an excellent asset for everyday writing. To top it all, the pull-caps meet European & US precision standards and fit the pens through their lifetime.

Mathematical Instruments

Gift your child high quality instruments for accurate drawings and measurements. The transparent and perfectly calibrated instruments are sturdy and are packed within a compactly designed box. Thus making it a handy tool that's easy to carry, fits comfortably inside anything.

AXIS
 MATHEMATICAL INSTRUMENT BOX

- ✧ Ground points very sharp for perfect measure and harden for sturdiness-totally rustproof.
- ✧ Compass gives good grip for normal & Mechanical Pencils.
- ✧ Protector, Set-square and Ruler made from virgin plastic material with sharp printing and smooth edges for easy handling.

Contents :

Solid Die casting Driver & Compass, 45° Set Square, 30° / 60° Set Square, Protector, Ruler, Pencil, Erase & Sharpner

MATHEMATICAL
INSTRUMENTS BOX

Introducing India's first, most innovative Compass box with features others would envy. A cost effective solution indeed for your kid's school needs, you would love to buy it. It comes with truly useful features designed with absolute care.

Package of innovation specially for your kids :

**Plastic Case | Protector | 45° Set square | Ruler | 60° Square Set | Eraser
Clutch Pencil | Solid Die Casting Compass & Divider | Sharpener**

All New Features :

- Compass i-box available in attractive colours
- Compass and divider is made from solid die casting metal
- Compass gives a good grip with clutch pencil
- Pointers of compass and divider are well balanced for accuracy and are rustproof
- Protector, set square & ruler are made from virgin plastic material with sharp printing and smooth edges for easy handling
- It also consists of sharpener with stainless steel blade totally rust proof
- It comes with free lead box and dust free eraser, a value addition indeed

Enjoy School Time....!!!
