FIELD ELEGANCE

The simplicity and rustic beauty come together to create pieces that capture the essence of country life. With soft colors inspired by wildflowers and textures that evoke fertile soil, they add a touch of artisanal elegance to every meal and outdoor gathering. May this collection bring the warm and comforting feeling of the countryside to your table.

WE CARE ABOUT SUSTAINABILITY

We are taking a few
steps to reduce our
environmental impact

With pro-environmental
decisions and
practices like these,
we are actively
contributing to a

BETTER WORLD!

CE/12/2006 Best Practices for the
European Sustainability Directive

Our clay
includes 30%
recycled material

For water
optimization, we
recover water for
efficient use

We also produce
clay that is 100%
recycled

Our solar panels can
provide up to 100%
of our energy needs
in the solar time

Of shavings are 100%
re-introduced in the
production process

We can produce
glazes using 100%
recycled materials

Sustainability and a sense of social
responsibility towards our
environment and community are
of the utmost importance to us
