# Am Vegan

**An absolute revolution  
among cookware.**

AmVegan cooking and frying utensils  
have a 100% natural OLIVARTE coating  
made from a blend containing olive oil.  
This allows you to cook healthy dishes  
with a minimum of fat!

**100%**

**F**FLORINA®

Coated with a **100% natural OLIVARTE** coating made from a blend containing olive oil, allowing food to be cooked with minimal fat.

Can be used on **all types of cookers**, including induction. Made of aluminium with high heat conductivity, so it heats up quickly and evenly.

Non-Stick coating prevents food from sticking and makes **washing up quick and easy**
