MB Warmer

The heating bento box

Take along, reheat, enjoy!

Safe

The MB Warmer electric lunch box combines quality materials with healthy heating to **preserve the taste, texture and nutritional properties of ingredients.**

"Dishes taste as good as if they had just been cooked!"

Efficient

Its 3 heating programs make it possible to **reheat your meal in 15 to 35 minutes.** It will then be kept warm for 1h.

"A little setback? No worries: my dish stays hot!"

To go

Thanks to its removable cable, the MB Warmer heating lunch box **can be plugged in wherever you are (wall or car socket*)**.

"I'm free to enjoy a hot meal wherever I want!"

*car cable sold separately
