GodGift International

Exporter of Metal Handicrafts

Our Team

We have a very young team of management and employees who are very passionate and dedicated towards what they do. We have the best of talent and very technically sound workforce who are committed towards providing best quality products.

We do regular training of the employees to keep them updated about the ongoing changes in the industry

Our Factory

We have 2 units with combined floor area of 2,00,000 sq fts and a permanent staff of 120 employees. We are Sedex, BSCI & ICS compliant with our customer base spread across the globe.

70% of the manufacturing processes & 100% of the finishing processes are performed with in the factory premises.

Handicrafts Export Award

9th January 2017

Organised by

Export Promotion Council for Handicrafts

We Can Help

We believe in keeping commitments and taking responsibility for our products.

We can provide best quality product in agreed timeline. Our current capacity is 45 high cube containers a month and are still expanding. We have in house design team with expertise in Solidworks and AutoCAD software which helps in quick turnaround for new product development.
