Company Profile

About Us: Shreeji International is India's leading manufacturer and exporter of Stainless Steel products. We are located in Mumbai and are 30 miles from the International airport. Also we are very close to the JNPT port (70 km) enabling a shorter transit time.

Management: The top management team consists of people with professional qualifications and International exposure.

Product Quality: We use high quality Stainless Steel to make all of our steel products ideal for both cooking and storing food products without any health hazards. All of our products are offered in Brushed or Mirror finishing. Material used are 200 series, 304 and 430 steel. All our products are manufactured from raw materials supplied by Jindal stainless steel Ltd.

Customer Retention: We retain 96% of our customers.

Infrastructure: We have a strong infrastructure (100,000 sq feet plus) which includes three production facilities. We are also expanding our capacities to cater to the increasing demand. Our current manufacturing team includes engineers, fabricators, toolsmen, quality control specialists etc. Our factories are located in Bhayandar and Palghar.

Industries Served: Housewares, Food Service, Barware, Promotion and OEM.

Certification: Our Company is SMETA, SEDEX pillar-4 certified and QMS Audited. We are also a ISO 9001-2015 certified company.
