HOMEWARE COLLECTION

The Company

Established in 1989 by first-generation entrepreneurs, Nirmal Poly Plast Private Limited stands as one of India's leading manufacturers and exporters of plastic houseware products. Our extensive product range, showcased under flagship brands RATAN and KOLORR, as well as OEM brands, reaches over 45 countries globally.

Spanning over 33,000 square meters, our modern facilities in Ahmedabad and Daman boast significant production capacities, making us well-equipped to handle turnkey projects. Positioned for substantial growth in production and supply to premier global retailers, our factories are prepared for the future.

The state-of-the-art, fully automated manufacturing unit in Ahmedabad, adhering to BSCI compliance standards, features cutting-edge Japanese machinery. This setup ensures the delivery of top-quality products with minimal human intervention.

Our comprehensive product range, crafted from 100% food-grade plastic, undergoes rigorous statistical quality checks both before and after production. This meticulous process guarantees the highest quality standards.

Recognized and appreciated by both domestic and international consumers and partners, our brands, RATAN and KOLORR, have become synonymous with excellence. Since inception, we have prioritized meeting modern consumer needs, remaining relevant and progressive, and consistently delivering the finest quality products.
