

OUR COMPANY

Our story begins in 1922 at northern Osaka. It is here where Nippon Seal set up its first factory with the aim of domestic textile production. With experience and spirit of innovation, we got 70 patents in Japan and overseas. Today, we sell lint picker, felt, moquette, brush and more. That “more” is providing very best solutions and customer service to our customers.

9 SDGs NIPPON SEAL focus

We fully understand the importance of initiatives for SDGs and are committed to protecting the environment and contributing to local communities in order to "Contribute to the earth and society."

SCIENCE BASED TARGETS

DRIVING AMBITIOUS CORPORATE CLIMATE ACTION

Since 2021 we have been holding SDGs promotion committee once a month and have focused our efforts on the commitment to SDGs .

In December 2023, based on a 42% successful reduction in Scope 1 and Scope 2 CO2 emissions, we received approval from SBT.

OUR HISTORY

EIQUETTE BRUSH SERIES

Starting from 1959, we developed **"ETIQUETTE® Brush"** and spreaded all over the world.
