LACO

WELL-BEING & ECOLOGICAL HOUSEHOLD CLEANING PRODUCTS MANUFACTURER FOR 40 YEARS

LACO Group is the founder of the original cleaning white stone in the world. The company was born in 1981 in France, whose DNA is the preservation of the planet by creating and manufacturing **ecological cleaning and well-being** products in order to offer eco-friendly solutions to eco-responsible people. Our company is well-known for our quality of its products, whether it is for individual or professional use.

We are the exclusive manufacturer of the legendary **Pierre d'Argent®**, certified **ECOCERT**, which is the ultimate natural solution for absolute property, without the drawbacks of detergents. **One product to clean, polish and protect all types of surfaces (interior & exterior).**

Products from LACO have an established reputation in more than 45 countries across the world: Europe, USA, Canada, Dubai, Asia and others.

Pierre d'Argent® is the ultimate natural solution to clean everything, without the drawbacks of other detergents: no phosphates, no chemicals. Made exclusively of natural ingredients, Pierre d'Argent® is an environmental-friendly cleaning product since it is entirely biodegradable. Plus, its use is enjoyable and it does not irritate the skin.

In 2013, the company Laco got the **ECOCERT** certification for the product Pierre d'Argent®.

The product's ecological commitment is thus confirmed and enforced!

Pierre d'Argent® is a multipurpose cleaner, so the possibilities of usage are countless! Especially useful and effective on metals: chrome, stainless steel, copper, brass, silver, gold... Don't hesitate to use it on your silverware and your jewelry, whether it is made of gold or silver, or any other metal. In fact, Pierre d'Argent® does not scratch so it is completely safe to use on all metals ! It also does wonders on ceramic hobs and induction plates. This natural all-purpose cleaner can be used in the kitchen and the bathroom; on floors, windows, tile joints, cars, PVC garden furniture.

ONE DROP

SAY GOODBYE TO EMBARRASSING SMELLS
BY PIERRE D'ARGENT®

Put one or two drops of this **natural plant extract** into the toilet, before using it. One Drop will form a **protective film** on the water's surface, **closing and eliminating bad smell**.

Leaves a sweet and fresh scent.

This 15ml bottle is very discreet, easy to put in a handbag or to sneak it next to the toilet.

Lasts for about fifty uses.

Eucalyptus fragrance.

BAKING SODA GEL

AN INNOVATIVE GEL FORMULA OF THE FAMOUS
MULTIPURPOSE PRODUCT

Appreciated and approved by our grandmothers, baking soda remains an essential ally to keep your household healthy. **Baking soda** cleans and deodorizes multitudes of surfaces in an environmental-friendly way. It cleans, degreases, descales, stains and absorbs bad odors. It is particularly suitable for cleaning the bathroom, the drains, the kitchen, the garden, the joints of tiles, the armchairs, etc...

Our new handy and innovative gel formula:

This unique gel texture, developed by LACO, makes it easy to use: no need to mix it anymore!

This innovation is very helpful: the gel does not flow or smell (unlike white vinegar).

Product packaging made exclusively of recycled plastic. Made without conservative nor dye.
