IDEE IN PLASTICA

IN è un brand giovane e dinamico, in costante crescita e sviluppo.
Nasce dalla voglia di rispondere alle continue richieste del mercato internazionale di valorizzazione del design e di concetti come la durabilità, la conservazione e la tutela ambientale, con la garanzia del **MADE IN ITALY**.
Forte di un'esperienza di oltre 35 anni, la realtà IN si propone l'obiettivo di realizzare prodotti sviluppati con soluzioni innovative mediante l'utilizzo di polimeri certificati e di prima **QUALITÀ**, che valorizzano uno stile essenziale ed elegante.
Articoli di uso comune, pratici e funzionali, dal design accattivante, con IN diventano facilmente accessibili a tutti.

IN oggi si rivolge a chi ha a cuore la tutela dell'ambiente e si impegna a seguire uno stile di vita eco-sostenibile e favorendo l'utilizzo consapevole e sostenibile di un materiale **DUREVOLE** e **RICICLABILE** in modo da azzerare l'impatto dannoso sul nostro pianeta.
L'ampia offerta degli articoli IN rappresenta una valida e reale **ALTERNATIVA** a tutto ciò che crea dispendio energetico e inquinamento inconsciente.

IN is a young and dynamic brand in constant growth and development.
It was born from the desire to satisfy the continuous requests of the international market that looks for design, durability, environmental respect, guaranteed by **MADE IN ITALY** quality standards.
With over 35 years of experience, IN mission is to create products developed with innovative solutions by using top **QUALITY** and certified polymers, which enhance an essential and elegant style.
With IN, products for everyday life, which must be practical, functional and with attractive design, become easily accessible to everyone.

Today IN is aimed to people who care about environmental respect and eco-sustainable lifestyle.
Our purpose is to promote a conscious use of a **DURABLE** and **RECYCLABLE** material in order to stop the harmful impact on our planet in a sustainable way.
The wide range of IN items is represented by a valid and real **ALTERNATIVE** to anything that creates energy waste and unconscious pollution.

IN est une marque jeune et dynamique en constante croissance et développement.
Elle est née du désir de satisfaire les demandes continues du marché international qui recherche le Design, la durabilité, le respect de l'environnement, garantis par les normes de qualité **MADE IN ITALY**.
Avec plus de 35 ans d'expérience, IN a pour mission de créer des produits développés avec des solutions innovantes en utilisant des polymères de **QUALITÉ** supérieure et certifiés, qui valorisent un style essentiel et élégant.
Avec IN, les produits de la vie quotidienne, qui doivent être pratiques, fonctionnels et au design attractif, deviennent facilement accessibles à tous.

Aujourd'hui, IN s'adresse aux personnes soucieuses du respect de l'environnement et d'un mode de vie éco-durable.
Notre objectif est de promouvoir une utilisation consciente d'un matériau **DURABLE** et **RECYCLABLE** afin d'arrêter l'impact néfaste sur notre planète de manière durable.
La large gamme d'articles IN représente une **ALTERNATIVE** valide et réelle à tout ce qui crée un gaspillage d'énergie et une pollution inconsciente.
