THE STARTER PACK COMPATIBLE WITH SENSEO®\* MACHINES

## Goodbye disappointing coffee Hello total freedom of choice... for your Senseo®\* machine!

Today, many coffee lovers feel stuck with disposable pods: limited options, repetitive flavours, average quality. The result? A coffee that's often bland—far from the pleasure it should be.

With Caps'Me, you take back control.

Thanks to the Shaker Slide, you can fill your reusable Senseo® capsules in seconds with the ground coffee you love: a bold arabica? a flavoured blend? an artisan roast?

**Everything is now possible — without changing your machine!**

39.9€

And it's not just about flavour:

- ♻️ **It's reusable!** Each capsule can be used more than 1,000 times
- 🌍 **It's sustainable!** You eliminate disposable pods and their packaging
- 👍 **It's easy!** The process is simple, fast, and accessible to everyone.
