THE STARTER PACK COMPATIBLE WITH SENSEO®* MACHINES

Goodbye disappointing coffee Hello total freedom of choice... for your Senseo®* machine!

Today, many coffee lovers feel stuck with disposable pods: limited options, repetitive flavours, average quality. The result? A coffee that's often bland—far from the pleasure it should be.

With Caps'Me, you take back control. Thanks to the Shaker Slide, you can fill your reusable Senseo® pods in seconds with the ground coffee you love: a bold arabica? a flavoured blend? an artisan roast?

Everything is now possible — without changing your machine!

39.9€

- And it's not just about flavour:
- ♻️ **It's reusable!** Each pod can be used more than 1,000 times
 - 🌍 **It's sustainable!** You eliminate disposable pods and their packaging
 - 👍 **It's easy!** The process is simple, fast, and accessible to everyone.
