At Global Base Sourcing, we provide our clients with exceptional service and support. We believe that communication is key to a successful partnership, and we work closely with our clients to ensure that they are informed and involved every step of the way.

## HOW WE WORK

GBSL undertakes the task of end-to-end product sourcing for your business. Our team takes on your responsibilities to coordinate products from design development, sampling, pricing, and order processing to production, quality management, and shipments.

# MATERIALS

---

Global Base Sourcing brings the world of artisanal and handcrafted products to you. Our company provides a wide range of unique products from multiple countries, each with its own materials, finishes, and colors.

We believe in the power of craftsmanship and attention to detail, and we work closely with skilled artisans and craftspeople to bring you products that are both beautiful and functional. From hand-woven baskets to hand-crafted furniture, we are passionate about curating a collection of products that are as unique as our customers.

We are committed to providing you with a merchandising experience that is both enjoyable and rewarding. With a focus on quality, sustainability, and fair-trade practices, we are proud to bring you products that are not only beautiful but also socially responsible.

We mainly work with METAL, WOOD, CERAMIC, GLASS, MARBLE, PAPER, CONCRETE, TEXTILE, RATTAN, PLASTIC, RESIN and MELAMINE, but we are always open to source what you ask for.

# WARM MINIMALISM

Slow living, inspiration- and imitation of structures from nature, rough surfaces, vertical lines, geometric shapes, tactility that stimulates the senses, curved, sculptural and soft shapes, natural materials, crafted and handmade look, are all keywords for this collection.

We have carefully designed and collected products that underlines these trends and tendencies.

Be inspired by the way we mix our products or make your own selection.

For easy navigation through the catalogue click on the hyperlinks for each category text in the content overview, and you will be send directly to that category, or back again from the hyperlink on top of each product page.

*We hope you like it*
