WELCOME

Welcome to Global Base Sourcing, your partners in product. We are a comprehensive solution for all your product needs. We are a full-service product design, development, sourcing, quality, and a delivery company dedicated to helping our clients bring their ideas to life.

GBSL has a strong network of 800+ reliable, certified, and audited factories and vendors all over Asia, especially in Indonesia, Vietnam, India, Bangladesh & China.

Our team of experts across the globe is committed to providing our clients with innovative and effective solutions that meet their unique product requirements. We work closely with our clients to understand their needs and goals and develop customized strategies to help them succeed. We have a proven track record of delivering high-quality products on time and within budget. We work closely with our clients to ensure their products are manufactured to the highest quality standards and delivered on time and within budget.

At Global Base Sourcing, we provide our clients with exceptional service and support. We believe that communication is key to a successful partnership, and we work closely with our clients to ensure that they are informed and involved every step of the way.

HOW WE WORK

GBSL undertakes the task of end-to-end product sourcing for your business. Our team takes on your responsibilities to coordinate products from design development, sampling, pricing, and order processing to production, quality management, and shipments.

MATERIALS

Global Base Sourcing brings the world of artisanal and handcrafted products to you. Our company provides a wide range of unique products from multiple countries, each with its own materials, finishes, and colors.

We believe in the power of craftsmanship and attention to detail, and we work closely with skilled artisans and craftspeople to bring you products that are both beautiful and functional. From hand-woven baskets to hand-crafted furniture, we are passionate about curating a collection of products that are as unique as our customers.

We are committed to providing you with a merchandising experience that is both enjoyable and rewarding. With a focus on quality, sustainability, and fair-trade practices, we are proud to bring you products that are not only beautiful but also socially responsible.

We mainly work with METAL, WOOD, CERAMIC, GLASS, MARBLE, PAPER, CONCRETE, TEXTILE, RATTAN, PLASTIC, RESIN and MELAMINE, but we are always open to source what you ask for.
