

# OUR PLANET IS EVERYONE'S RESPONSIBILITY.

IN WEILBURGER WE TRUST.

**1 PEOPLE**  
Safety for employees and partners, social commitment and cooperation with suppliers who are legally, ecologically and ethically beyond doubt. Trust, respect and appreciation are our highest priority.

**3 PROCESS**  
Reduction of environmentally harmful substances starting at the product development stage, avoidance of hazardous substances in production, being ISO 9001, ISO 14001 and EcoVadis certified.

**2 PLANET**  
Investments in the latest technologies and modern production facilities for the manufacture of water based coatings, conversion to renewable energies at most of our sites and conservation of resources.

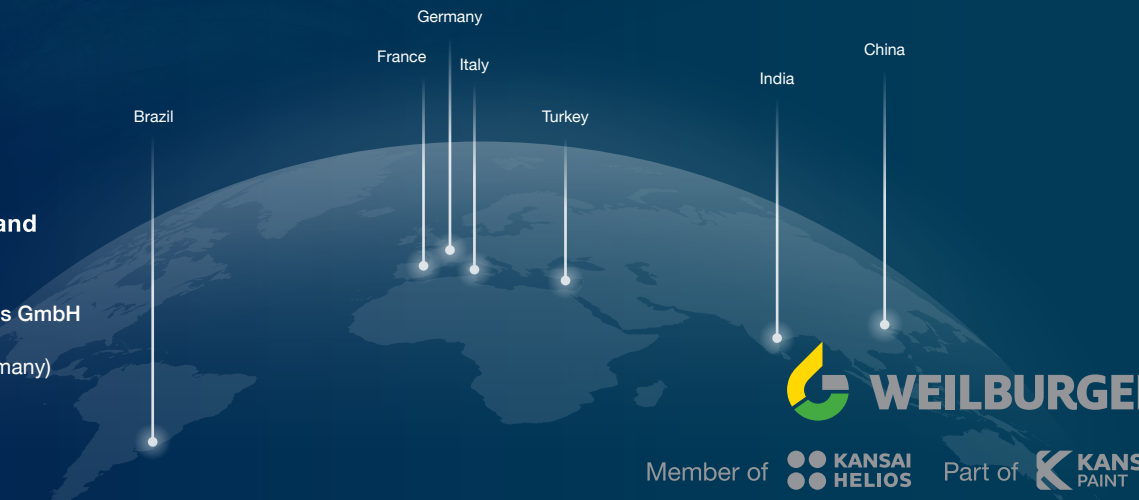

**4 PRODUCT**  
Effective and innovative development strategies for the production of high-quality and durable coatings, organized resource planning as well as strict quality controls and increased use of water based coating systems.

**E** ELECTRICAL APPLIANCES

- Q-LINE E 1000 PURE
- Q-LINE EK 1500 ADVANCED
- Q-LINE EK 3000 SUPERIOR

**T** TOOLS

- Q-LINE T 1000 PURE
- Q-LINE T 1500 PURE
- Q-LINE TK 1500 ADVANCED
- Q-LINE TK 3000 SUPERIOR

PRODUCT HIGHLIGHTS

**C** COOKWARE

- Q-LINE CK 2000 ADVANCED

- + **ROUGH SURFACE**
- + New type of surface structure and haptic
- + Robust surface and scratch resistance
- + For a crispy preparation of food

- Q-LINE CK 2500 ADVANCED

- + **MATT SURFACE**
- + The optical answer to a PTFE coated surface
- + Perfect symbiosis of surface hardness and Non-Stick
- + Good abrasion and corrosion resistance

- Q-LINE CK 3000 SUPERIOR

- + **BRILLIANT SURFACE**
- + Longlasting Non-Stick
- + Best abrasion resistance
- + Superior daily use performance

**B** BAKEWARE

- Q-LINE B 3000 COIL SUPERIOR

- + Two-coat PFAS-free coil coating system
- + High efficiency / less energy costs
- + Low CO<sub>2</sub> emission

CLEAR LABELING FOR CONSUMERS
