

Funky Pink

The eye-catcher at your workplace!

„FUNKY PINK“ – KNIVES THAT BRING COLOR INTO YOUR EVERYDAY LIFE!

Bold, modern and simply different – with our new handle color „Funky Pink“, we're making a statement! Whether in the kitchen or the butcher's shop – these knives aren't just high-performance tools, they're real eye-catchers.

These knives are part of the PrimeLine series, known for its superior ergonomics and non-slip grip. Functionality meets stylish design – for professionals who value both quality and appearance.

What makes „Funky Pink“ so special?

- Ergonomic PrimeLine Handles: Perfect grip even with intensive use.
- Top Quality „Made in Germany“: Durable, sharp, and reliable.
- Trendy Design: For those who want to add a special touch to their work – from the butcher shop to the professional kitchen.

Now available!

The new „Funky Pink“ handle is now available as a **standard color for the 14 knives** shown. In addition, we have put together an attractive chef's knife set for you.

Want more options? No problem!

For orders of 60 pieces or more, we can also create „Funky Pink“ handles for any other knives in the PrimeLine series.

Be part of the trend and add the „Funky Pink“ series to your product range! Bring some fresh energy to your offerings and offer knives your customers will love!

„Funky Pink“ – A statement in your hand.
