Luminarc's Opal has been part of families' daily lives since 1958.

In 2018, Luminarc launched an innovative material, culinary opal, which has found its way into people's kitchen to help prepare, bake, and serve delicious food, for every occasion.

What is culinary opal ?

The many
benefits of
culinary opal:

- **Oven Safe:** Our culinary opal dishes can be used safely in the oven up to 250°C.
- **Made to last:** 3x times stronger than ceramics tableware, high resistance to breaking and chipping
- **Easy to use in the kitchen:** dishwasher and microwave safe, light, stackable
- **100% healthy:** a non-porous durable material that makes it extra-hygienic
- **Origine France Garantie label:** certified by an official label to reassure consumers and protect our know-how

SMART CUISINE *CARINE* + Lids

Our modern Smart Cuisine Carine shapes combined with a practical lid, to bake, serve and store food
using only one dish!

Juliette

Cookware product manager

“Storing food in the fridge is now possible with the new lid addition on Smart Cuisine Carine dishes. These two new additions will also work perfectly for batch cooking, and can be stored in the fridge for leftovers, without using plastic film or aluminium foil”
