BAMBOO

Care more about the earth when painting

Why should you choose bamboo?

ENVIRONMENTAL FRIENDLY

Trees need approximately ten years to reach maturity, while bamboo requires only two. Bamboo is natural and recyclable, growing up over and over again. When you choose bamboo, you choose a greener earth and sustainable development.

PERFECT FINISHING

Bamboo easels have a perfect smooth finishing, just like furniture.

STRONGER PERFORMANCE

Bamboo easels are stronger than wood and its Chinese style is most authentic and attractive!
