THROWS
COLLECTION

2026-2027

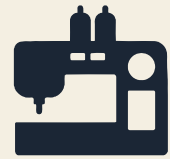

Hometex Perú is a Peruvian textile manufacturer specializing in premium bedding and throws made from natural fibers. We combine Andean craftsmanship with modern design to create sustainable, high-quality products for international brands.

ALPACA BENEFITS

HANDMADE

Every duvet is made by hand according to ethical working conditions in our factory in Peru.

HYPOALLERGENIC

Alpaca wool is considered hypoallergenic, as unlike sheep's wool it does not contain lanolin.

ENVIRONMENTALLY FRIENDLY

Our alpaca wool comes direct from Peru and is processed under eco-friendly conditions.

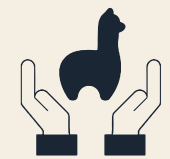

ANTIBACTERIAL

The keratin in alpaca wool fibers allows bacteria to be effectively suppressed.

ANIMAL-FRIENDLY

All alpacas are reared in their natural habitat and the wool is consciously shorn in an animal-friendly way.

MADE TO MEASURE

Every duvet could be customized because each one is produced handmade.

PERFECT TEMPERATURE

The structure of alpaca wool is both breathable and flexible, allowing it to adapt to the body's temperature perfectly.

FIREPROOF

Alpaca wool was awarded 1st Class in the US CPS Commissions Rating and is considered non-flammable.
